PRESS RELEASE

“For Immediate Release”

NILES EXPANDED METALS & PLASTICS PURCHASES NEW 10-FOOT EXPANDED METAL MANUFACTURING LINE

Niles, Ohio. -- August 11, 2006 -- Niles Expanded Metals & Plastics, which operates their plant at 310 Pleasant Ave., purchases another new 10-Foot Expanded Metal Manufacturing line from Agape Industries, Taiwan. This new line has the capability of expanding most materials at high speeds with greater precision and accuracy than most other expanders in the industry. The line is being set-up to run both coil and sheet.

Some of the capacity of the new line will be dedicated to the manufacturing of the new SecureX™ expanded metal security fence systems and accessories. Other features include ability to run Ribbon Mesh and Skip Mesh. The new 10ft. line is expected to be in operation early 2007.

Niles Expanded Metals & Plastics is an ISO 9001-2000 Certified company who manufactures a complete line of expanded metal and grating products for domestic and export use. The company was founded in 1959 and is under the guidance of William E. Phillips, Chairman of the Board & CEO, William E. Phillips, Jr., President and Clarence N. Hoye, Executive Vice President & COO. For more information log-on to their website www.nilesexpandedmetals.com or www.nilesfence.com or call 800-321-2727.
